## 1. Introduction

Cookies are small text files that are placed on your computer by websites that you visit. They are used to improve user experience, make websites work, as well as to provide information to the owners of the site.

Multi Asset Solutions Digital Payments Limited uses cookies to provide the functionality you need to browse our site. Please note that with cookies switched off, many areas of our website and services will not be made available to you. Please note that not all the cookies on our site are set by us and some are third party cookies.

### **Some of the cookies we use are essential for the site to work.**

We also use some non-essential cookies to collect information for making reports and to help us improve the site. The cookies collect information in an anonymous form. The table below explains the cookies we use and why:

Cookie	Name	Purpose	Expires
Google	NID	3rd Google cookies are used to track user's preferences so that related content or adverts can be shown. This helps us to show you customised ads on Google. Read Google's overview of privacy and safeguarding data.	6 months

## 2. Turning off cookies through my browser

Most web browsers allow control of most cookies through the settings. Find out how to manage cookies on popular browsers:

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Microsoft Internet Explorer
- Opera
- Apple Safari

To find information relating to other browsers, please visit the browser developer's website.

If you would like to find out more about cookies, including how to see what cookies have been set, visit [www.aboutcookies.org](http://www.aboutcookies.org) or [www.allaboutcookies.org](http://www.allaboutcookies.org).

To opt out of being tracked by Google Analytics across all websites, visit <http://tools.google.com/dlpage/gaoptout>.

We are planning on enhancing our cookie tool in order to allow users to more easily change their cookie settings for the site.

The web browsers you are currently using will allow you to have some control over the saving of cookies on your computer, tablet or smartphone through your browser settings.

Our website may save cookies on your device as soon as you visit any page unless you have set your browser to refuse cookies. We use a number of suppliers who may also set cookies on or for their websites. Multi Asset Solutions Digital Payments Limited does not control the dissemination of these cookies; these are cookies found in other companies' internet tools which we are using to enhance our site. You should check the third party websites for more information about these (see table above).
